If you would like a Father-Bride dance, Mother-Groom dance, etc. please give details on what songs (title and artist) you would like played for these dances.

- Please advise the DJ ahead of time if there are any special considerations for these dances. An example of this would be introductions – perhaps the bride will be dancing with her step-father and he is to be introduced as “the step-father of the bride”.

| <p>Would you like to have a “Honeymoon Dance”? (Place an X in the appropriate box) (Also known as a “Dollar Dance” or “Money Dance”)</p> <p>A Honeymoon Dance is typically held after the traditional dances (first dance, father-bridal dance, etc.). When conducting a Honeymoon Dance, I ask the guests to form two lines – one for the ladies, one for the gentlemen. The ladies each give a dollar (or whatever they choose to contribute) to the best man to dance with the groom. The gentlemen give their monetary gift to the maid/matron of honor and dance with the bride. Each guest dances a minute or two with the bride or groom and then the next guest cuts in. This gives everyone a chance to dance with the bride or groom. Best of all, the bride and groom keep the money contributed by the guests as a gift. During the Honeymoon Dance, I will play appropriate music for couples dancing.</p> | | | | | |

Please list what type of music you and your guests would like played for entertainment and dancing. Feel free to include specific song titles and/or artists.

- I will also encourage everyone to make requests. Please keep in mind that while some songs are great to listen to, they may not make the best choices for dancing and entertaining.
- You know your guests better than I do – be sure to include favorites of your family and friends. Don't forget your favorites, too! The more information you can provide here, the better job I can do by playing music that everyone will enjoy.
